Presenter: Bob Abel

In this three hour seminar we will show you actual installation / the Preview ProLab program. Providing you with some practical guidance in the use of the program.

AREAS TO BE COVERED:

Installation & Registration

Configuration

File Importation

Cropping

Ordering

Slide Show

This will be a practical program usage seminar. It will help you master the use of some of the many function of Preview ProLab. Once these skills are mastered you will be able to improve your sales and marketing techniques using Preview ProLab and greatly increase your sales quantities and reduce your after sales workload.

We will also use the opportunity to provide a brief overview of all of Nulab's Products and services
