

SEMINAR NAME

Nulab's Winter Seminars July / August 2004

PROSHOTS 2 version 6.2.6

Presenter: Bob Abel / Adam Hollett

In this three hour seminar we will continue on from the areas covered in ProShots in more detail, as well as introducing some additional functions

AREAS TO BE COVERED:

Digital Products

Album Building

Album & Frame creation

This will be a practical program usage seminar. It will help you master the use of some of the many function of ProShots. Once these skills are mastered you will be able to improve your sales and marketing techniques using ProShots and greatly increase your sales quantities and reduce your after sales workload.
